While Case IH Farmall B Series tractors are compact, they're big on premium features that leave the competition behind. That means powerful 3 and 4-cylinder engines, independent electro-hydraulic PTO and deluxe 3-point hitches with rear lift capacity ranging from 650kg to 1,850kg. It also means modern styling, plenty of leg room, tilt steering wheels, plus outstanding visibility, manoeuvrability and serviceability.

TRACTOR MODEL	20B	25B	35B	40B	50B	60B

# FARMALL JXM 75 - 88 HP

## POWER AND PRODUCTIVITY

PERFECTLY SUITED FOR:

 HORTICULTURE INDUSTRY

 LIFESTYLE INDUSTRY

 LIVESTOCK INDUSTRY

The new Case IH Farmall JXM Series tractors reliably and cost-effectively deliver the power and performance the owners expect, all featuring the distinctive Case IH premium design. These tractors meet the demand for rugged yet comfortable and easy-to-operate equipment to get day-to-day jobs done. With 60 l/min hydraulic flow and rear lift capacity of 2.5 tonne the Farmall JXM is equally suited to all types of farming businesses from utility tractor to flagship tractor in a small farm. The two models offer 4WD and feature a range of transmission options.

# FARMALL JX 75 - 110 HP

## VERSATILE, AGILE AND POWERFUL

PERFECTLY SUITED FOR:

 DAIRY INDUSTRY

 LIVESTOCK INDUSTRY

 BEEF INDUSTRY

With four models ranging between 75 hp and 110 hp, there's a Farmall JX to fit most needs. These utility tractors have characteristics like manoeuvrability, visibility and handling at the top of the features list. Powered by turbocharged and intercooled engines, Farmall JX Series tractors are designed to give maximum power with less fuel consumption. The rear lift capacity is just over 3.5 tonnes and hydraulic flow is 52 l/min with two rear remotes available. The Farmall JX offer a range of transmission options in both cab and ROPS configurations.
